Full Job Description:

Come work for one of the state's first cannabis delivery companies! Green Cab is currently seeking drivers to join our groundbreaking delivery team to service Connecticut's cannabis industry. Our delivery drivers are responsible for a scheduled route of medicinal and recreational cannabis deliveries and will process delivery transactions for customers in an accurate and timely manner.

We provide all of the tools and training needed to be successful including a car for deliveries, navigation/communication technology, and product security. Your safety and the safety and satisfaction of our community are of the utmost importance. We are looking for team members who are trustworthy, responsible, and reliable. Strong communication skills and the ability to provide exceptional customer service are a must. We are seeking team members who are enthusiastic about our mission and demonstrate flexibility to grow with the company.

Drivers must have a clean driving record and feel comfortable driving in all types of weather. Weekend scheduling is mandatory.
